Instructions for Loving Thoughts Apothecary Art Metal Embossed Card:

Step 1 Take the Bronzed God Metal Sheet, place it inside the Vintage Wallpaper Impressions Folder, and run it through the Big Shot. Place Sticky Strip along the back of the piece and attach it to the card front with Sticky Strip.

Step 2 Run Snail Adhesive along the back of the 1 ¼" x 5 ¼" piece of Twitterpated Designer Series Paper and attach it to the 1 ½" x 5 ¼" piece of Pink Pirouette Cardstock. Wrap the Very Vanilla ½" Seam Binding around this piece and position the bow so that it is 7/8" in from the right hand side. Place Sticky Strip along the back of the piece and attach to the card front.

Step 3 Ink the Apothecary Image with Basic Black Classic Ink and stamp it on the 3" x 4" piece of Watercolor Paper. Take the corresponding Framelit (from the largest down 4th frame), place it over the stamped image, and run it through the Big Shot. Use Melon Mambo Classic Ink and Old Olive Stampin' Write Marker to color in the images and blend it with the Blender Pen. Attach the Pearls as shown, place 2-Way Glue over the flowers, and sprinkle with Dazzling Diamonds. Remove excess Dazzling Diamonds. Distress the edges with Soft Suede Classic Ink.

Step 4 Take the corresponding Framelit (from the largest down 3rd frame). Place it on the 4" x 5" piece of Watercolor Paper and run it through the Big Shot. Take this bigger frame, place it inside the Vintage Wallpaper Impressions Folder, and run it through the Big Shot. Distress the edges with Soft Suede Classic Ink and punch a ½ circle on the right hand side of the frame with the ¾" Circle Punch. Place Sticky Strip along the back of the piece and attach it to the front of the card. The circle notch allows the ribbon to be in closer.

Step 5 Place Stampin' Dimensionals along the back of the stamped image piece and attach it to the top of the larger label. **Note: I stacked the Stampin' Dimensionals to create more height.**

Step 6 Stamp the sentiment on the 1 ½" x 4" piece of Watercolor Paper, cut it out, and attach it to the center with Stampin' Dimensionals. Attach the 4" x 5 ¼" piece of Very Vanilla Cardstock to the inside of the card.
